Great. Please let us know if DTCS would want to include a quote from the EPA Regional Administrator in your press release. No pressure!

Many thanks,
Mike

Hi DTSC friends (and Erin),

While we at EPA share your enthusiasm for communicating to the public about a federal-state partnership to address EJ generally, and lead/Pb specifically, we need to be careful to not be seen as prejudging the outcome of the State's request. Thus we'll decline your kind invitation to take part in the press conference.

That said, we're happy to contribute a quote from our top official (Regional Administrator Martha Guzman) to your press release, should that be of interest to you. And we may release a statement of our own after you make the announcement, which of course we'd be happy to share with you ahead of time.

Regards,

Mike Alpern - Director, Public Affairs

Hi Julia!

The main focus is the opportunity of such a partnership with EPA, in order to provide nationwide awareness and resources of the problem and solution. We plan to touch on progress made thus far and what we think this partnership can do for the community and the state. I can schedule time to talk through materials with you in the coming days, or I can share via email for your review and feedback.

Thanks!

Ali

Hi Diana,

Thanks for the additional info! Is there by chance a comms strategy you could share with us? Is the general focus of the press conference collaboration with EPA and listing Exide, or will other matters be addressed as well (for example, the bankruptcy lawsuit, their current cost recovery litigation or a federal budget ask)?

Thanks!

Julia

Thank you Mike for looping in Julia, appreciated. As Allison's mentioned, if you are planning to participate in the virtual press conference, we were able to finalize a date and time that works for the Secretary, DTSC Director, and members of the legislature. Its Friday, July 1, from 1-2:00PM, we welcome USEPA to attend and speak, or just be prepared with a statement in response to our announcement? Please let us know what's your preference.

Thank you in advance for your time.

Diana

- Monday, June 27th – Between 1:00 – 4:00 pm (moveable meetings)
- Wednesday, June 29th – 9:00 – 10:00 am, Between 1:00 – 3:00 pm, or 4:00 – 5:00 pm
